Antichrist Waging Jihad

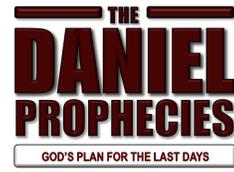

Lesson 3 - Daniel 11

Antichrist Waging Jihad

Daniel 11

Tim Buck - 4/4/2017

1. Daniel 11 provides the longest section on Antichrist in scripture
2. The text gives insight into the theology and belief system that drives Antichrist
3. Note the religious flavor in these 4 verses. The word “god” appears ____ times!

Daniel 11:36-39

³⁶ Then the king (Antichrist) will do as he pleases (Caliph - Supreme Ruler of Caliphate), and he will exalt and magnify himself above every **god** and will speak monstrous things (blaspheme) against the **God of gods**; and he will prosper until the indignation is finished (no one can stop him), for that which is decreed will be done (Events of the 7-Year Tribulation).

³⁷ He will show no regard for the **god** (“elohim” - Yahweh - the Lord) of his fathers (shows contempt for the Lord-God of the patriarchs) or for the desire of women (Sharia demeans women), nor will he show regard for any other **god** (Despises all other religions); for he will magnify himself above them all (Islam’s messiah - Mahdi - Twelfth Imam - sits as god).

³⁸ But instead he will honor a **god** of fortresses (“ma’uzzim” - military stronghold aka Jihad - conquering for Allah), a **god** whom his fathers (Abraham - Ishmael) did not know; he will honor him (his god of war) with gold, silver, costly stones and treasures (pour financial resources into his military).

³⁹ He will take action (war - Jihad) against the strongest of fortresses (resisting nations) with the help of a **strange god** (Allah); he will give great honor to those who acknowledge him and will cause them to rule over the many, and will parcel out land for a price (allotting land as reward for loyalty).

A One-World Religion or One Religion Taking Over the World?

There's a difference between a one-world religion, which the Bible does not teach, and one religion attempting to take over the world, of which it does speak. Let's start making this distinction.

I. The Religion of Antichrist Centers on _____ Daniel 11:36-39

A. Wars never stop during the 7-Year Tribulation - Jesus... "Wars and rumors of wars"

1. The Tribulation - A 7 Year Religious War to establish the Islamic Caliphate
2. White Horse Judgment (Rev. 6:2) Antichrist... "goes forth to conquer..."
3. Red Horse Judgment (Rev. 6:4) Men will... "kill one another... great sword"
4. Wars are decreed until the end - Dan. 9:26-27; 11:36
5. A War against the Lamb of God and the saints of God - Rev. 17:14

Antichrist will have the help of a god of war!
That would be the Islamic Allah, or Satan as he's known in the Bible

C. Antichrist Honors a god of _____ vs. 38a

D. Antichrist Honors his god of War with costly _____ vs. 38b

E. Antichrist goes into battle for his god - vs. 39a

F. Antichrist believes his god blesses his war efforts - vs. 39b

C. The Global effort to silence criticism of Islam:

Supressing Free Speech - A bigger effort than you think!

Speaking out against Islam could put you in jeopardy. The Organization of the Islamic Conference (OIC), comprised of 57 Muslim nations, has intensified its efforts - vigorously pushing the U.N. to vote yet again on a cleverly worded "tolerance" resolution, which would criminalize those exposing Islam.

5. A message from one who was there - Sir Winston Churchill on Islam:

"How dreadful are the curses which Mohammedanism lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy.

The effects are apparent in many countries. Improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live. A degraded sensualism deprives this life of its grace and refinement; the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property, either as a child, a wife, or a concubine, must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men...Individual Moslems may show splendid qualities, but the influence of the religion paralyzes the social development of those who follow it. ***No stronger retrograde force exists in the world.*** Far from being moribund, Mohammedanism is a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled, the civilization of modern Europe might fall, as fell the civilization of ancient Rome."

2. With a series of military victories, he will be established for a time
3. His final stand takes place while ruling from God’s Throne in God’s Temple

Daniel 11:40 - 45

⁴⁰ At the time of the end (second half of the Tribulation) the king of the South (Egypt) will engage him (Antichrist) in battle, and the king of the North (Antichrist) will storm out (retaliate) against him like a whirlwind (air-force), with chariots (tanks) and cavalry (army) and a great fleet of ships (navy). He (Antichrist) will invade many countries (Jihad) and sweep through them like a flood.

⁴¹ He (Antichrist) will also enter the Beautiful Land (Antichrist sweeps through the West Bank, deep into Israel, capturing East Jerusalem); Many countries will be overthrown but

Edom, Moab and the leaders of Amman (**Jordan**) will be delivered from his hand (**God supernaturally protects Jordan**).

⁴² Then he (**Antichrist**) will stretch out his hand against other (**North African**) countries, and the land of Egypt will not escape.

⁴³ But he (**Antichrist**) will gain control over the hidden treasures of gold and silver and over all the precious things of Egypt (**Antichrist absorbs Egypt into the Caliphate**); and the Libyans (**Libya**) and Ethiopians (**Sudan**) will follow at his heels (**Fall to the Caliphate**).

⁴⁴ But rumors (**Military alerts tell Antichrist of an imminent attack**) from the East and from the North will disturb him (**Two major powers deploy troops into the Palestinian theatre in an effort to stop Antichrist**), and he will go forth with great wrath (**triggers WW3**) to destroy and annihilate (**nuclear weapons - 1/3 mankind killed - Rev. 9:18**) many.

⁴⁵ He (**Antichrist withstands all onslaughts and survives**) will pitch the tents of his royal pavilion (**Seat of the Caliphate**) between the seas in the beautiful Holy Mountain (**Antichrist rules from God's Throne in God's Temple on the Temple Mount**); yet he will come to his end, and no one will help him (**No one is able to help him against God, who, by the Second Coming of Jesus, brings him to an end - Rev. 19:20**).
