

The Prophetic Message of the 2020 Election

Discerning God's End Time Strategy

FOCUS
ON THE END TIMES

I. Trusting God's Sovereignty (Even for Joe Biden)

Definition:

“Everything that happens is within the scope of God's Providence”

Ps. 103:19 - *The LORD established His throne, His Sovereignty rules over all.*

By me kings reign...

— Proverbs 8:15

God removes kings, and sets up kings...

— Daniel 2:21

God removed Saul and made David their king...

— Acts 13:22

No one... can exalt themselves. He brings one down, he exalts another.

— Psalms 75:6-7

The Most High has power over human kingdoms. He gives them to whomever he wills.— Daniel 4:17

II. Message of Judgment to Judah and America - Isa. 5; Jer. 5-9; Habakkuk 1

The best parallel to America in the Bible is the Southern Kingdom of Judah

The Prophets offer a description of the sins that motivated God to judge Judah and Jerusalem. The same sins characterize America today

Amos 6:3 - Saying judgment will never come

Isa. 5:20, 24 - Calling good evil and evil good

Jer. 5:3, 23; 7:8-10 - Their faces are hard as rock

III. When the Sting of Judgment Hits America

America has fallen under the judgment of God. It's not an easy message. I love my country and grieve at the thought of her ongoing deterioration.

God judges because He is just, and His justice demands consequences for our sinful choices

Americans must recognize that our nation has turned away from God who has blessed it so richly

Donald Trump's election was a reprieve. But for a reprieve to last it must be followed by repentance. Not only hasn't America repented, she refuses to acknowledge her greed, lying, hatred and immorality as sin. Her time is up!

IV. The Moral Implosion of America Deserves Judgment

A. Biblical principle: *"To whom much is given, much is required"* - Lk. 12:48

But the one who did not know, and did what deserved a beating, will receive a light beating. But everyone to whom much was given, of him much is required, and to the one who was entrusted much, they will demand much more.

B. 70 Years of SCOTUS Decisions - Pushing God out!

C. The Principle of Romans One - God's judgment for an Immoral Society

"As a nation willfully rebels, God steps back, lowers his hedge of protection around the nation, and allows sin to multiply to the point where His justice requires Judgment"

D. America's National Institutions Promote our Country's Ungodliness

V. Could God Have Changed the Outcome of the 2020 Election?

- A. Evidence abounds that Joe Biden was God's choice for America
- B. After Nov. 3, 2020 - God never opened a door for Trump's 2nd term
God consistently chose not to intervene to install Trump
- C. During the 60-day period after Nov. 3, at any time, God could have made a tweak in Trump's favor to change the results - God chose not to!

VI. The Prophetic Significance of America's Elections

2008 - 2016 - Obama - America's Serious Decline Begins

America's decline and God's judgment began in earnest under the anti-Israel policies of the Obama administration. Obama's vision for the country was to create a weaker America. This set America on the prophetic path of decline. Two factors reveal this:

1. Enabled the invasion of Islam into America
2. Accelerated a new wave of Immorality into America

2017 - 2021 - Trump

Two factors stand out from the Trump presidency:

1. Transformed Israel and aligned the Middle East to prophecy
2. Tested America to reveal her heart and trigger God's judgment

POTUS – Decline of America Before The Tribulation Begins

- A. America is not in Bible Prophecy and has entered her twilight years
- B. As we approach the Tribulation, God’s judgment will remove her influence
- C. 2021 - 2024 - Biden - America’s Rapid Decline Increases
 - 1. The Biden administration’s hatred of Trump will blind their judgment to adopt anti-Trump policies rather than policies good for America. This mistake will only push God further out which in-turn will bring more Judgment in.
 - 2. As part of God’s plan, the Biden Administration’s rush to transform America will be super-charged by the possible return of Trump or a ‘Patriot’ candidate in 2024. This scenario will result in a much sharper and much faster deterioration as they rush to purge Trump’s policies and adopt anti-God policies to distance themselves from the Trump-MAGA agenda.

VII. God's Assignment for Trump: Transform Israel and the Middle East

A. America: God's End-Time Nation

One of the reasons God raised up America was to build the world's greatest super-power to defend and support Israel from its birth in 1948. We are the only nation who has stood with the modern State of Israel since it was born. Coincidence? God's Sovereignty!

B. Trump's most long-standing accomplishments are in regard to Israel

- Recognized Jerusalem as Israel's Eternal Capital and moved the Embassy
- Recognized Israeli sovereignty over the Golan Heights
- The first sitting President to ever visit the Western Wall
- Pulled US out of the Iran Nuclear Deal and slapped on crushing sanctions
- Eliminated Iran's leading terrorist Qasem Soleimani
- Drafted an exhaustive Israeli-Palestinian peace plan
- Opened the door for Israel to take back partial Sovereignty of the West Bank
- Brought Israel and her Arab neighbors together in the Abraham Accords Plan
- Passed the Anti-Semitism Act to combat it in a new cabinet position
- Moved Israel to the umbrella of the Pentagon's CENTCOM Group

C. Thanks to these Trump achievements, Israel is now perceived as a Global Center of energy, trade, and technology with a strong economy and one of the most advanced Intelligence agencies and military's in the world

Walking in Blessing During the Last Days

Set your minds on things above, not on earthly things.

³ For you died, and your life is now hidden with Christ in God.

- Correctly understand and embrace the sovereign will of God for America
- Jesus never called the disciples to civil unrest or to overthrow the corrupt Roman government.

We can overcome the results of the 2020 election by prayer and personal involvement in the democratic process and opportunities

- Correctly understand the end-time concept of revival:

Scripture never promises a “***national revival***” for any nation at the end of the church age. And since America is not mentioned in scripture there is no promise of a “national revival” of America in the sense that we will once again become a Christian nation. Rather, God calls us into a personal revival with Him offering the hope of salvation to our family and those around us that would affect our church and community.

- Rest in your salvation and DRAW NEARER to the Lord in 2021 - James 4:8
- Keep your mind in the Word and Study the Word - 2 Tim. 2:15
- Don't Forsake Gathering as Commanded by the Lord - Heb. 10:25
- **God is on the throne, Jesus is coming down, keep looking up because we are going up and our best days with Jesus are still ahead!**

2020 Election Summary From a Biblical Prophetic End-Times Position

Tim Buck - January 26, 2021

A. President Trump was given 4 Years to accelerate end-time events especially regarding the status of Israel but also to bring new alignments to the Middle East nations that would fit more appropriately with God's end-time plans.

B. Because we are living under the shadow of the Tribulation and our nation has turned her back far from the Lord, we are seeing God's hand of protection and blessing being taken away and His judgment coming in the most dramatic way, by giving us ungodly leaders who resemble the godless people.

C. In the run-up to the Tribulation, America's world-wide influence will sharply decline. We know this because America is not a nation God specifies in Bible prophecy and there is no nation that steps up to protect Israel from the assault of Antichrist. With the radical swing from Trump to Biden we can see God's judgment falling on America. God's end-time purpose for weakening America is to remove her ability to protect Israel in the Tribulation. Already we're seeing a significant shift as Biden's new Ambassador to Israel says he's the Ambassador to "Israel, the West Bank and Gaza."

D. Before the Tribulation begins, America's strength and influence will diminish but look for Israel's standing and influence to continue to rise.

E. By allowing the non-stop rocky and turbulent events of Trump's presidency, the Lord was able to use Trump as His lightening rod to expose the darkened heart of America. Few men would have withstood such a harsh environment.

It seems God's plan all along was to use Trump like a standard bearer to expose the wickedness in America. The Lord already knew America had a rebellious heart but now the church and much of the world has seen and will continue to see the hatred and evil so deeply imbedded in our country.

F. The democratic leaders hold a deep resentment for Trump's Pro-Christian, Pro-Life, Pro-Israel, Pro-Church and Pro-Law & Order policies. For their depraved hearts, God has rewarded them a leader who believes just like they do.

Summary Continued:

G. The anti-Trump establishment is now rushing to wipe out and delegitimize anything Trump did. The main stream media and social media is shutting out the truth in ways we never imagined. As part of God's sovereign plan these efforts are being driven, ironically, quicker by the possibility of a Trump/Patriot Party return in 2024.

One of the reasons God interjected Trump into the presidency and removed him so fast was to trigger this knee-jerk reaction toward his policies by the possibility of a Trump/Patriot return. This has the unintended effect of speeding America's decline as the new administration begins racing to rid the country of anything that resembles a God-fearing nation thus placing us in greater peril. Over the next 4 years, the potential damage that could be done to our Christian heritage may be irreparable.

H. America was already a divided country before Donald Trump became president but the election fiasco sealed America's disunity for the foreseeable future. Nothing will heal the deep distrust of one side believing the other side stole the presidential election. This is especially damaging since Trump was so popular and his followers the most loyal in history. Such an emotional division has deeply hurt America.

I. It's a lie to believe the Dems want unity... they don't want unity, they want compliance. Good and evil simply cannot be unified. For instance, those who support the life of the unborn cannot be unified with those who advocate killing the unborn.

J. These examples show that across the spectrum of societal issues we are a deeply divided nation. Our division is a sign God has taken His hand off our country and it's also a harbinger of America's future as we are reminded by Jesus, *"a house divided against itself cannot stand."*
